The highlight of your trip! In keeping with their 377-year old promise, the villagers of Oberammergau present their Passion Play depicting the last week of the life of Christ. The play's presentation can be traced to 1633 when the Black Plague swept Europe. The people of Oberammergau took a solemn oath: if God spared them, they would present a day-long play depicting the last week in the life of Christ. To this day they have kept their promise and every ten years the citizens of Oberammergau perform their passion play with the same love and devotion they have shown for over 370 years. Today the play takes place on an open-air stage with a covered auditorium seating 4,700, against a beautiful backdrop of towering Alpine mountains. (B,L,D)
